## Want to join?

Go online or visit one of our libraries during full service hours.

Want to rent a meetingroom? Scan the QR code for details and prices on our website.

# Join the library!

Your membership will give you access to a great collection of books, e-books, audiobooks, sheet music and periodicals at the library.

In addition, we will give you a discount on most of our inspiring and instructive activities. Last but not least, your membership fee will help the library keep up the good work.

## Monthly Membership

- ✓ This membership will only cost you a few euros per month and will be charged by direct debit.
- ✓ You can stop whenever you want. After a month, several months or a year. Nice and flexible.
- ✓ The choice is yours: Monthly Basic or Monthly Premium with more ease and benefits.

To work with ebooks, audio books and online magazines?  
[onlinebibliotheek.nl](http://onlinebibliotheek.nl)

Scan for more information about membership conditions and prices.  
[debibliotheekamstelland.nl](http://debibliotheekamstelland.nl)

With your membership card, you can borrow items in any of our four libraries. But there is more!

## Online library

Being a member gives you access to the online library:

- E-books and audio books.
- Read or listen directly with the Online Bibliotheek-app.
- Download e-books for your e-reader.

Start now at: [www.onlinebibliotheek.nl](http://www.onlinebibliotheek.nl)

## Computer and internet

As a member, or visitor, you can use our computers with internet free of charge. International newspapers and magazines free of charge via PressReader online.

The loan period for these e-books and audiobooks is three weeks with a maximum of ten titles at a time.

Use your card to the max!

## The library in your pocket 24/7

With an account at [debibliotheek-amstelland.nl](http://debibliotheek-amstelland.nl), you can renew and reserve items and manage your (financial) transactions with the library online. But there is an easier way: the Bibliotheek Wise app. Enjoy the convenience and download the app for iOS or Android.
